HOW WE ENGAGE

Flexible Engagement Models

01

Contract Staffing

Deploy workforce on our rolls for defined volumes and durations.

02

Permanent Hiring

Search, screen and place full-time hires on the client's rolls.

03

Managed HR & Payroll

Payroll processing, statutory filings and HR administration.

04

RPO Partnership

An embedded recruitment function owned end-to-end by our team.

05

Facility Support

Housekeeping, support and site services under one contract.

06

Hybrid Solution

Any combination of the above, structured around your operation.

Scope, timelines, pricing, service levels and compliance responsibility are documented before mobilisation.

ROADMAP

Growth Strategy 2026 - 2030

Each phase adds capability before it adds geography — so growth is built on a delivery base that already works.
